

## Programs for the 2017-2018 School Year

**The St. Luke Preschool has programs available** for children ages 2 to 5 years old. In the past six years, we have given our students an excellent start on a successful school career.

Our class offerings are as follows:

**Play and Learn:** This is a teacher guided, parent/child playgroup. Children must be two years old or turning two during the 2016-2017 school year. Children need not be out of diapers, and must be accompanied by one parent or caretaker. Our **fall program** runs for 6 sessions on Monday from 9:00 a.m. to 10:30 a.m., from October through November. Our **spring program** runs for 6 sessions on Wednesday from 9:00 a.m. to 10:30 a.m., from February through May.

**3 Year Old Program:** This program is for students who will be 3 by 10/1/2017. We will meet on Tuesday, Wednesday and Thursday from 9:00 a.m. until 12:00 p.m. The student will need to be toilet trained in order to enter this program, be able to separate from their care giver, and be ready for a group setting. A two day option is also available.

**4 Year Old Program:** This program is for students who will be 4 by 10/1/2017. We will meet on Monday, Tuesday, Wednesday and Thursday from 9:00 a.m. until 12:00 p.m. The student will need to be toilet trained to enter the program.

**Pre-K Program:** This program is for students who will be 4 by 10/1/2017. We will meet Monday, Tuesday, Wednesday and Thursday from 9:00 a.m. until 12:00 p.m. These students should have attended some type of preschool for at least one year prior to entering this program.

**Extended Day:** This program runs from 12:00 noon until 1:00 p.m. Any child may choose to stay for an additional hour on any day they attend school. Children staying for this program will need to bring a lunch to school.
