## What is Antioch?

Antioch is a Catholic weekend experience for teens led by teens with the help of adult advisors and a priest chaplain. It is called Antioch because, "It was at Antioch that the disciples were first called Christians." (Acts 11:26)

The "Antioch Weekend" offers an opportunity for teens to get away for the weekend and discover more about who they are and to think about the importance of their friendship with God and others. The weekend consists of talks given by other teens, discussions, reflections, prayer, and time out for just plain fun. The weekend goes by very quickly, but many great friendships have started at Antioch retreats over the years.

If you are anxious about signing up, talk to someone who has been on the Antioch retreat before or just give it a try. You won't be sorry!
