

St. Luke Parish

Special Needs Ministry
That All May Be One!

EVENT CALENDAR 2021 - 2022

St. Luke Special Needs Ministry reaches out to all people with special needs and their families. We are beginning our 15th year! Come join us as we celebrate each month with friends, family, and community.

On the first Sunday of every month, our celebration begins at 11:30 with Mass and is immediately followed by activities developed for children, teens, and adults with special needs, including: Crafts, Dancing, Sing-a-long, Refreshments, and Caregiver Discussion Group.

We offer sacramental preparation as well as altar server and lector training for our participants who are interested.

Additionally, our ministry offers twice monthly gym nights in the parish hall bringing children and adults with special needs to a variety of sports and gross motor activities that encourages development of team work and social skills.

Sunday Monthly Events: 11:30-2:30
